

27th Intake Reunion

Following the recent 60th anniversary celebrations of the start of the Army Apprentices School the 27th intake appies who were there thought we should try to get a reunion of the 27th intake underway for 2009. Initial contact has already seen good interest and planning is under way. We still need a few volunteers put their hand up.

Outline Plan

Intent: *In broad terms the intent is to have the reunion on the Gold Coast in October 2009 over the weekend 2nd – 4th Oct with partners invited.*

General Outline:

- *a low key meet and greet on the Friday evening, BBQ or something similar*
- *Saturday set aside for any trade grouping activities (or we could set up a partners shopping trip to the one of the big malls...while the lads eat prawns and tell tall stories etc)*
- *Saturday night a sit down mixed dinner*
- *Sunday - breakfast (late) and depart*

Key Admin

- *Aim for a venue that has accommodation and function centre capability together and centrally located so there is no driving once you arrive.*
- **Friday Night Get Together.**
 - *Still working the options.*
- **Saturday Night Dinner.**
 - *We have identified the Sofitel on Broadbeach as the venue for the Saturday night mixed function and Nick Klay has negotiated an excellent rate of \$83.00 a head for the 3 course alternating meal with drinks. We will be asking attendees to pay for dinner in advance into an account we will set up early in 2009. Details tba.*
- **Accommodation:** *Individuals should make their own accommodation arrangements, however we have negotiated a good room rate at Sofitel on Broadbeach www.sofitelgoldcoast.com.au*
- **Accommodation Bookings:** *To ensure a room and gain the discount rate please book direct with the hotel but you need to use the attached form to gain the discount rate.*

Comd & Sigs

- *Need following appointments filled:*
- **Reunion Leader - Phil Edwards oyo@people.net.au**
- **2IC - need a volunteer**
 - *Liaise with Apprentice Association*
 - *Normal 2IC functions*
- **A rep and 2IC from each trade group to:**
 - *Gather contact details for their trade and determine attendance numbers/details*

- Be the link man for their trade group
- Coord any trade group activity on the Saturday before the main mixed function on Sat night
